WHY KAZGASA?

KazGASA is Kazakhstan's leading specialized university in architecture, design, construction, and engineering

We combine academic excellence, strong practical training, and a modern educational infrastructure

Key Milestones:

1980 - Establishment of AACEI (Alma-Ata Architecture and Civil Engineering Institute)

2007 - First in the world to receive international UNESCO-UIA accreditation in "Architecture"

2020 - Ranked among the TOP-10 universities of Kazakhstan

2023 - Full reconstruction of the main academic building to meet modern educational standards

2024 - Opening of the UNESCO Department

2025 - KazGASA becomes Chair of the BRAUIC International Forum Consortium

Languages of Instruction: Kazakh, Russian, English

Formats of Study: Lectures, studio projects, laboratory work, academic and industrial internships, project seminars, workshops, competitions
